CABLE UTP CAT6 PLANOS

CAT 6a flat-patch cable U/UTP
copper

height of cable sheath	1.5 mm
width of cable sheath	6 mm
max. bandwidth	500 MHz
Cable type	flat cable
Inner conductor material	CU (copper)
AWG	32/7 (stranded)
Shielding class	U/UTP
Connection, type	RJ45 male (8P8C)
Latch protection	no

100% COBRE PURO

- unshielded flat LAN/network cable to connect network components with 2 x RJ45 connectors
- Low bending radius, extremely flexible, ideal to move to save space behind baseboards
- OD only 1.5 x 6 mm
- with 3μ gold plated contacts (PINs)
- short connector type without latch protection
- slimline strain relief
- pair-sequence acc. to EIA/TIA 568B
