

VALUE Cable Exit Brush Wall Plate, 86x86mm, 80x80mm

Product No. 25.99.8206
Manufacturer VALUE
Manufacturer No. 25.99.8206
EAN (single piece) 7611990144211

- Ideal for streamlining your home theater, network, and office wire installations
- Used to exit your cables through to your AV equipment if they are plastered in to the wall
- Soft, densely packed Nylon bristles protect cable jackets from damage and prevent cables from falling behind the wall
- This single gang wall plate with brush bristles allows the cables running behind your walls to exit the wall and connect to your devices for neat professional look
- The aperture is large enough for VGA, HDMI, DVI, DisplayPort, Cat5e/6 and other types of cables
- Wall cup, 80mm x 80mm
- White plastic
