

CABLE USB C Macho-Macho en 3Mts Carga Rápida QC3.0 y 4.0

Ref. USBC-QC4.0-03M

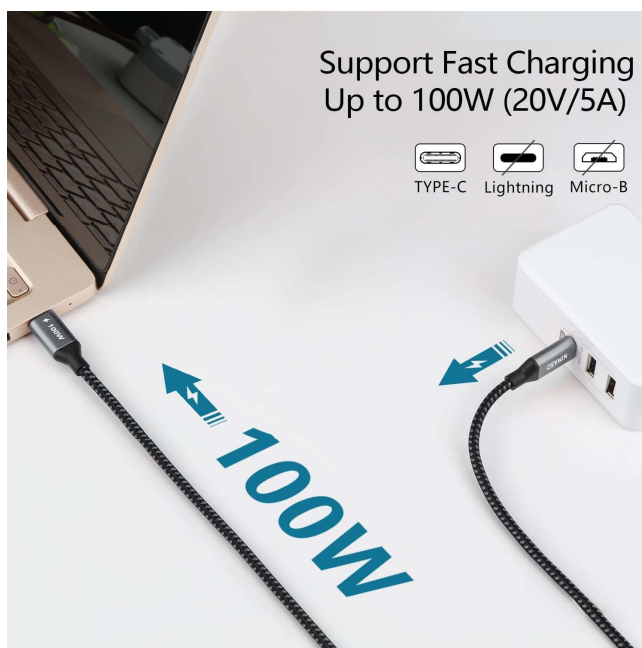

Especial Carga Rápida QC 3.0/4.0)

SOPORTA hasta 20V 5 AMPERIOS 100W, con Chip estabilizador de corriente.

Transferencia de datos, sincronización 5Gbit/s

Construido con cubierta de Nylon Trenzado de alta resistencia y flexibilidad.

Nota.- No soporta transmisión de video UHD

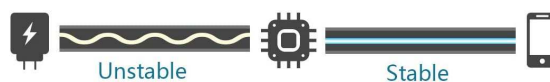

High Speed Sync

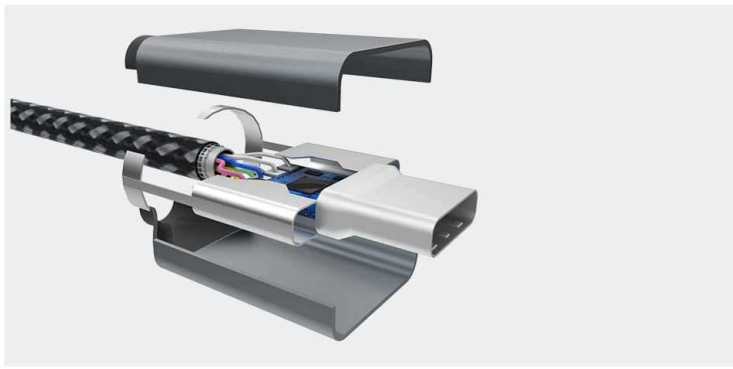

Supports transfer data speed up to 480Mbps

E-MARK Chip

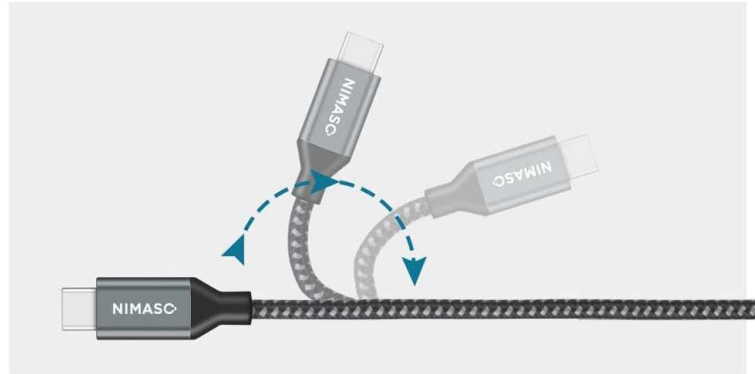

Automatically recognizes the voltage and current through E-MARK chip and enable Power Delivery up to 100W (20V/5A)

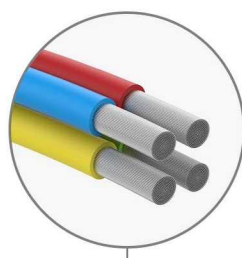

Premium
Aluminum Case

10,000+ Bend
Lifespan

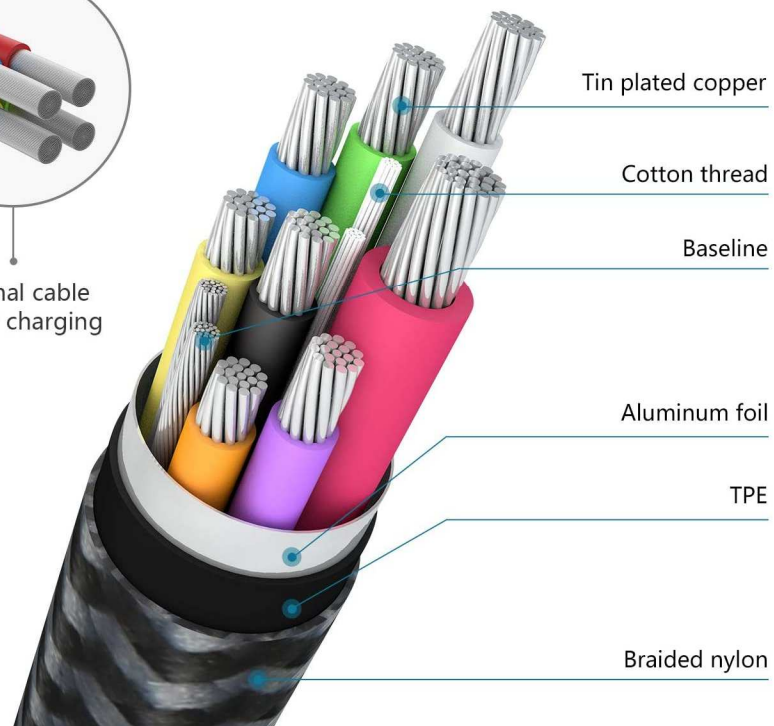

5000 Times
Insertion Test

High Quality Internal Cable

Normal cable
power charging

Tin plated copper

Cotton thread

Baseline

Aluminum foil

TPE

Braided nylon
